

A Ray of Sunshine

Wham!

Move it, move it, baby
Can't you see I'm ready to dance?
And I can't stop this rhythm in my heart
Move it, move it baby,
Can't you see I'm ready to dance?
Without this beat my life would fall apart

Shuffle on your feet 'til the floor is hot
Gonna make a lot of money
Gonna break your heart
Watch out boy (watch out boy)
Shuffle on your feet 'til the floor is hot
Gonna make a lot of money
Gonna break your heart

But I'm the only one with a key
And that's me

Sometimes, you wake up in the morning with the bass line
A ray of sunshine
Sometimes, you know today you're gonna have a good time
And you're ready to go

Move it, move it, baby
Can't you see I'm ready to dance?
And I can't keep my rhythm in my heart
Move it, move it, baby
Can't you see I'm ready to dance?
Without this beat my life would fall apart
Shuffle to the beat
Gonna take a cut
There's money in your feet
Gimme what you got

Watch out boy (watch out boy)
Shuffle to the beat
Gonna take a cut
There's money in your feet
Gonna stitch you up

Any other boy that you see
But not me

Sometimes, you wake up in the morning with the bass line
A ray of sunshine
Sometimes, you know today you're gonna have a good time
And you're ready to go

Turn the music up
Turn the music up, turn it up
Because it's all I've
All that I've got

Shuffle to the beat
Gonna take a cut
There's money in your feet
Gimme what you got

Watch out boy (watch out boy)
Shuffle to the beat
Gonna take a cut
There's money in your feet
Gonna stitch you up

Sometimes, you wake up in the morning with the bass line
A ray of sunshine
Sometimes, you know today you're gonna have a good time
And you're ready to go
