

# Last Christmas

Wham!

Last Christmas I gave you my heart  
But the very next day you gave it away  
This year to save me from tears  
I'll give it to someone special

Once bitten and twice shy  
I keep my distance but you still catch my eye  
Tell me baby do you recognize me?  
Well it's been a year it doesn't surprise me

Merry Christmas, I wrapped it up and sent it  
With a note saying "I love you" I meant it  
Now I know what a fool I've been  
But if you kissed me now I know you'd fool me again

[Chorus]

A crowded room friends with tired eyes  
I'm hiding from you and your soul of ice  
My god I thought you were someone to rely on  
Me? I guess I was a shoulder to cry on

A face on a lover with a fire in his heart  
A man undercover but you tore me apart  
Now I've found a real love (now I've found)  
You'll never fool me again

[Chorus]

A face on a lover with a fire in his heart  
A man undercover but you tore him apart  
Maybe next year I'll give it to someone  
I'll give it to someone special
