Where Did Your Heart Go?

I spend my nights down on the wharf In unlit alleyways By the church downtown Where Sally prays Come down sometime We'll share a rusty can of corn... And listen to the radio I love you, I love you, it says...

Where did your heart go Did you put it on a train Did you leave it in the rain Or down in Mexico?

You cry, but I don't know I've heard it all before There it goes again, the slamming of the door Sometimes the river calls me And at night it calls my name Says "put your troubles down beside me" Things have always been the same...

And rock 'n' roll won't teach me What the river said that night I jumped into this beauty And drifted out of sight...

Where did your heart go Did you put it on a train Did you leave it in the rain Or down in Mexico? Wham!
