Anyway

Pornography!

I pretend i cant hang up the phone Cos if i do then he gets you And ill be in this room alone Staring at the carpet Wondering how they made it And you would i should not be afraid Im better off alone and free Cos no-one can put up with me And your mom don't like me either Now I don't have to meet her

You and me We end up in catastrophe But i have got one more thing to add OK so im a jerk And im a weirdo And even if im lucky ill amount to zero But i thought that you'd love me anyway I'm so not even worth it But baby no-ones perfect Yeah, I thought that you'd love me anyway, Anyway

You're not the type of girl who takes advice Still all that shit your parents said Still bouncing round inside your head "You two will never make it If you build it he will break it"

You and me They sum us up so poignantly But i have got one more thing to add OK so im a jerk And im a weirdo And even if im lucky ill amount to zero But i thought that you'd love me anyway I'm so not even worth it But baby no-ones perfect Yeah, I thought that you'd love me anyway, Anyway

Maybe youll never play the guitar Maybe youll never sing in harmony with me Maybe you cant rock the ac/dc Well hell still aint a bad place to be when your with me Anyway

OK so im a jerk And im a weirdo And even if im luckly ill amount to zero But i thought that you'd love me anyway I'm so not even worth it But baby no-ones perfect Yeah, I thought that you'd love me anyway... Anyway

Wheatus

And the end goes like this
