

## Ain't It Blue

Whigfield

Now the day is done  
And I feel so afraid  
I'm all alone  
'Cause you have gone away  
All I have is memories  
Of silver and gold  
Ain't it blue without you

Two years did we share  
And our love grew in time  
I felt so strong  
'Cause those years  
Were so fine  
All I have is memories  
To help see me through  
Ain't it blue without you

Lalalalala  
Ain't it blue without you

Now the day is done  
And I feel so afraid  
I'm all alone  
'Cause you have gone away  
All I have is memories  
Of silver and gold  
Ain't it blue without you

Two years did we share  
And our love grew in time  
I felt so strong  
'Cause those years  
Were so fine  
All I have is memories  
To help see me through  
Ain't it blue without you

Now the day is done
