

## Wide Awake

## While She Sleeps

Make sure you work to save, to pay the wage  
To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake  
Make sure you work to save, to pay the wage  
To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake

Make sure you suffer, recover and learn to forgive  
Mother, Mother Earth our only exorcist  
You want fame, well they're watching you anyway  
You haunt, you hide, you victimize  
Creep like you're unseen and paralyze  
Are you waiting for the glass to break and fall at your feet?  
To say you knew that it was coming now you know it's too late  
You turned the page, it's a world away  
Another dose of ignorance will kill the pain

Keep our attention for long enough to cover up  
The truth that we're all corrupt, we fall like dominos  
What they told us to trust will keep us all alone  
Please don't think outside the box and  
Make sure you work to save, to pay the wage  
To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake, wide awake  
You haunt, you hide, you victimize  
You want fame, well they're watching you anyway

We're just killing time  
We're just killing time  
The sorrow is our expression a seldom promise we keep  
The struggle learnt in the lesson to only live by our means  
Is that all we'll ever be? Not me, not me, not me

Keep our attention for long enough to cover up  
The truth that we're all corrupt, we fall like dominos  
What they told us to trust will keep us all alone  
Please don't think outside the box and  
Make sure you work to save, to pay the wage  
To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake, wide awake

Two days to dream, after five routines  
Seven days to think of what we could've been  
Is it too late to try, escape or redefine?  
The safe, the sound of life before it goes  
Watching others live to kill the time  
Why don't we live like we're alive?  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake, wide awake  
We swore to Death that we'd never die  
Haunt the ghosts of a paradise I am yet to find

Make sure you work to save, to pay the wage

To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake, wide awake  
Make sure you work to save, to pay the wage  
To get the raise, so fuck today away  
I'm wide awake, wide awake, wide awake  
I'm wide awake, wide awake, wide awake
