

## Firewater

## Whiplash

Sit down like you do  
And I'll cross my legs too  
My friend  
What's in that pipe  
Strikes my appetite  
Sweet blend

Firewater  
Firewater

Two shots for you  
One shot for me  
Can you still see  
It's your turn again  
Let me help you hold the pen  
And sign this deed

Firewater  
Firewater

Firewater  
Firewater
