

Pitbulls In The Playground

Whiplash

Snarling attack
Money is made
Hail Mary pass
Best friend betrayed
Against all odds
Losing the bet
Meet your demise
The stage is set

Only a matter of course
It's time to show some remorse
For what you've done
Hopelessly riding the high
You aim to get higher
Into the fire with you

Trained to attack
A killing spree
Making your mark
In history
Against the law
Busted the ring taken away
Canaries sing

Play action pass
Disorder, dismay
Contract is void
Miracle play
Front page report
Made the headlines
Sunday night game
Ignorant crime
