

## Pitbulls In The Playground

Whiplash

Snarling attack  
Money is made  
Hail Mary pass  
Best friend betrayed  
Against all odds  
Losing the bet  
Meet your demise  
The stage is set

Only a matter of course  
It's time to show some remorse  
For what you've done  
Hopelessly riding the high  
You aim to get higher  
Into the fire with you

Trained to attack  
A killing spree  
Making your mark  
In history  
Against the law  
Busted the ring taken away  
Canaries sing

Play action pass  
Disorder, dismay  
Contract is void  
Miracle play  
Front page report  
Made the headlines  
Sunday night game  
Ignorant crime
