

# Rape Of The Mind

Whiplash

With the sun sinking slowly  
And the vultures flying low  
Out on the streets again  
With nowhere to go  
You've taken you last chance  
And there's nothing left to lose  
Pull the gun your on the run  
And caught by the man in blue

Does the punishment fit the crime  
It's a rape of the mind

Take a look at the rich man  
At the people that he owns  
Watch the smile on his face  
Eviction from their homes  
Caught for tax evasion  
On the new he's taken away  
Out a day later  
ain't got nothing he wants to say

His money pays for his time  
It's a rape of the mind

Now the padded cell is waiting  
And the doctors come to call  
Shock treatments aren't helping  
Still your shocked some more  
Take your mind from you  
And your freedom in return  
With the hopes one day  
A lesson has been learned

Does the punishment fit the crime  
It's a rape of the mind
