

Snake Pit

Whiplash

Hungry to kill
Torture at will

Anxiously waiting the word
Sentence to cast
Won't be the last
Laugh when the verdict is heard

Last straw
Through with the final injunction
Case closed
No one will ever get free

Snake pit
Snake pit

Snake pit

Guilty of sin, no one will win
Death jurors plot till the death
Justice at large, make up a change
Waiting to steal your last breath

Gaffe will fall, order from all
Silence overcomes the court
Don't say a word
Sentence is heard
Might make the vision distort
