

Dancing with the Women at the Bar

Whiskeytown

when I see the moon,I hear the sound of the stripjust calling m
y name
just calling my name
when I see the moon,I hear the sound of the strip
just calling my nameyeah it's calling my name

man, I love the feelingwhen I go out
dancing with the women at the bar
man, I love the feelingwhen I go out
I always know my woman's close somewhere

my daddy saw the moon,heard the sound of the stripit called out
his name
it called out his name
my daddy saw the moonand heard the sound of the stripyeah it ca
lled out his nameand it called his son's name too

man, I love the feeling
when I go out
dancing with the women at the bar
man, I love the feeling
when I go out
I always know my woman's close somewhere
close somewhere

when you see the moon,hear the sound of the stripyeah call out
my name
yeah call out my name
and if you see the moon,hear the sound of the strip
yeah call out my name
yeah call my friend's names too

man, I love the feelingwhen I go out
dancing with the women at the bar
man, I love the feelingwhen I go out
I always know my woman's close somewhere
close somewhere
