## **Faithless Street**

Whiskeytown

Angels are messengers from God Please send one down to me Angels are messengers from God Wrote a letter He should read Been living on faithless street all by myself Work your whole life for someone else Trying to find sanction, Christ above man He never shed His peace on this land So I started this damn country band Been living on faithless street all by myself Work your whole life for someone else Trying to find sanction, Christ above man He never shed His peace on this land So I started this damn country band 'Cause punk rock was too hard to sing
