

Mining Town

Whiskeytown

Said you came from a mining town
They closed the mining down
Said your daddy was a drinker
He had a picture of Jesus on his sinker
Maybe I
Maybe I'm coming for you tonight
This town's only five miles wide
Look everywhere there's a road sign
On tops and places to hide
And cops sit around hungry
Waitin' to dine
Maybe I
Maybe I'm coming for you tonight
Maybe I
Maybe I'm coming for you tonight
Said you came from a mining town
They closed the mining down
Said your momma was a drinker
She had a picture of Jesus on her sink and
Maybe I
Maybe I'm coming for you tonight
Maybe I
Maybe I'm coming for you tonight
Maybe I
Baby, I'm coming for you tonight
