

My Heart Is Broken

Whiskeytown

My heart is broken
My love is gone
I live without you
Your pillow cold
I am forsaken
I can't go on
My heart is broken
My love is gone
If I hadn't cheated
While you were gone
The well that we'd
Been drinkin from
Wouldn't a dried
And turned cold
My days are empty
My nights are long
Five cups of coffee
For the years gone wrong
If I hadn't cheated
While you were gone
The well that we'd
Been drinkin from
Wouldn't a dried
And turned cold
My days are empty
My nights are long
My heart is broken
My love is gone
My love is gone
