The Rain Won't Help You When It's Over

Whiskeytown

Takes a friend to laugh when it's over Takes a fool to cry when it's over Take the sun...take the sun... Take the sun from the sky then it's over The rain won't help you when it's over {3x} The rain can't help you when it's over Our mother dies and it's over Her father dies when it's over Take the sun... take the sun Wipe the tears from her eyes when it's over The rain can't help you when it's over {16x}
