White Denim

Wouldn't cha know it  
Wouldn't cha know  
You're hardly the guessing  
Hardly the guessing kind

I'm guessing you knew just how I thought of you all along  
Now you're here again with me  
I can't believe  
If it's just something if we do

In spite of efforts to be true  
Making time for ourselves and of ourselves isn't love if we are  
selfishly prude  
I'd have it just the way we were  
I'd have it just the way we were again

Wouldn't cha know it  
Wouldn't cha know  
You're hardly the guessing  
Hardly the guessing kind

I'm guessing you knew just how I thought of you all along  
Why would you want to spite  
If the someone wants to smile  
Making time for ourselves in and of ourselves isn't love if we  
are selfish

I'm guessing you
