

(Always) I'm loving you
(Always) I'm needing you
(Always) I'm calling you
(Sometimes) I get mad at you sometimes
(Sometimes) Can't speak to you
(Sometimes) I'm missing you
(Always) But I'm loving you
(Always) I'm needing you
(Always) Can't you hear me calling you
(Sometimes) Sometimes I get mad at you
(Sometimes) Can't speak to you sometimes
(Sometimes) I'm missing you
(Always) But I'm loving you always
(Always) I'm needing you always
(Always) Can't you hear me calling you always
(Sometimes) Get mad at you sometimes
(Sometimes) Sometimes I can't speak to you sometimes
Missing you

But I'm never really without you
Although you're gone
I'm never really without you
Although you're gone
Although you're gone

(Always) I'm loving you always
(Always) I'm needing you always
(Always) Can't you hear me calling you always?
(Sometimes) Sometimes I get mad at you sometimes
(Sometimes) I'm missing you

I'm never really without you
Although you're gone
I'm never really without you
Although you're gone
Although you're gone
Although you're gone
Although you're gone
Although you're gone
