

# A Love Calling

White Heart

Like the dawn breaking, the light came shining through  
And a heart broken is now a heart given to you  
But still there's something deeper, something more than gratitude  
And it's saying, saying, saying, there's so much more that we can do

We've got a love calling, a love calling  
Oh, we've got a love calling 'cause we hear love calling

Ah, there's a new wind blowing since we've been given this call  
When your spirit's leading, oh, it doesn't feel like a burden at all  
There are still lands locked in darkness  
There are hearts like an empty room  
And we'll never know how to help them until, Father, we listen to You

We've got a love calling, a love calling  
Oh, we've got a love calling 'cause we hear love calling

Like the rustle of an autumn breeze  
I can hear You whisper inside of me  
And I know, in my heart of hearts I do believe  
Now I'm thanking You for giving me

A love calling, oh, a love calling  
Oh, we've got a love calling 'cause we hear love falling  
Calling for a new vision, oh, a heart mission  
Oh, and it's drawing, it's drawing us 'cause we hear love calling  
(Love calling)

Do you hear His love calling?  
Do you give yourself away?  
Oh, do you feel He's drawing you nearer?  
Do you feel Him drawing near you?
