

# Let The Kingdom Come

White Heart

I'm layin' down my crown  
Yes, I'm layin' down my crown  
Lord, I'm layin' it down  
And praying let Your will be done  
Lord, I'm layin' down my crown  
To let the Kingdom come

'Cause I'm so tired and weary  
Yes, I'm so tired and weary  
Lord, I'm weary and hurtin'  
From the back breakin' burden of my crown  
My soul is born weary  
Oh, let the Kingdom come

Well, I crowned myself king  
Yeah, I crowned myself king  
But I didn't see the trouble  
The heartache and the sorrow it would bring, oh  
Now I'm broken and weary  
And lookin' for my King

King of Glory, enter in  
And sear my heart with love's burning flame  
Oh, let Your will be done  
O Lord, let the Kingdom come

O Lord, I'm layin' down my crown  
Let the Kingdom come

Oh, oh, let the Kingdom come  
Oh, oh, let the Kingdom come  
Oh, oh, let the Kingdom come  
Oh, oh, let the Kingdom come  
Oh, oh, let the Kingdom come
