Broken Heart

Woh Oh ohh

Here I stand all alone Tryin' to fight the pain from a broken heart Why she left me? I don't know It really doesn't matter anymore I thought that love could last forever But here I stand lost and all alone

There is life even after a broken heart You can fight the pain from a broken heart Broken heart

Start a new day but not alone I'm gonna break away this broken heart I'll meet a woman I'm gonna take her home Where I'll pick all the pieces start all over again I know that life will be much better I know the sun will shine again

Yeah I know baby There is life even after a broken heart Broken heart You can fight the pain from a broken heart Broken heart

Ohh oh oh I know that life will be much better I know the sun will shine again Yeah baby I know Baby I know There is life even after a broken heart There is life even after a broken heart Broken heart You can fight the pain from a broken heart Broken heart

Oh there is life even after a broken heart (Broken heart) Oh you can fight the pain from a broken heart (Broken heart) Broken heart Ohh oh Ooh yeah My my baby
