

Don't Give Up

White Lion

Are you tired of working 9 to 5
Are you fed up with your boring life
When your master tells you what to do
Years you wasted looking back at you

When life is driving you crazy
You feel your losing your mind

Don't give up, don't give up
When the road gets rough
Don't give up, don't give up
Even when it's tough

Making money you never have enough
Never-ending bills are building up
And the tax man who's stalking at your door
Never giving always wanting more

You feel like changing the times
To get some peace in your mind

Don't give up, don't give up
When the road gets rough
Don't give up, don't give up
Even when it's tough

Don't give up, don't give up
When the road gets rough
Don't give up, don't give up
Even when it's tough

Don't give up, don't give up
Don't you ever give up
Don't give up, you can make it
Don't give up, you can do it tonight

Don't give up, you can tell 'em
Don't give up, you can show 'em alright
Don't give up, don't give up, don't give up
Don't you ever give up
