

## Fight to Survive

White Lion

And it all began the day that he was born  
The boy looks up the sky's blue the sun so warm  
At time spent that's numbered, the young ones on the loose

And the clock keeps turning, the times are spent in fast  
Cooling off his burning fire, through his soul  
He brings out hope, fight for survival

You fought the frantic and is easy falling down  
He feels the emptiness  
That pulls him towards the ground

Oh, bring out your shield  
Raise high your sword  
Fight to survive

Run, plea for your life  
Look toward the sun  
Fight to survive

As you walk along the shore your thoughts run by  
The questions are you your empty thought thoughts deep inside  
And you feel like thunder since you are on the loose

As the times keep going lives fly by fast  
Then you feel you're growing tired  
You say, "No?", look toward the sun, fight for survival

You fought the frantic and is easy falling down  
He feels the emptiness  
That pulls him towards the ground

Bring out your shield  
Raise high your sword  
Fight to survive

Run, plea for your life  
Look toward the sun  
Fight to survive

You fought the frantic and is easy falling down  
He feels the emptiness  
That pulls him towards the ground

Bring out your shield  
Raise high your sword  
Fight to survive

Run, plea for your life  
Look toward the sun  
Fight to survive

Oh, bring out your shield  
Raise high your sword  
Fight to survive

Run, plea for your life

Look toward the sun  
Fight to survive

Fight, fight  
Fight, fight  
Fight, fight  
Fight, fight  
Fight, fight  
Fight, fight
