

# Gonna Do It My Way

White Lion

I have seen it  
With my own two eyes  
I have tasted it  
Like a million times  
I have walked it  
For miles and miles  
And in the end well I wasn't quite sure  
Just where I began

If you ask me  
Was it all worth fighting for  
If I told you  
That I don't know anymore

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say

I've been through it  
And I barely got out  
I was helpless  
And I screamed and shouted  
Then I gambled  
And I lost it all  
But when you come from the streets  
Then the streets are where you belong

If you ask me  
What the hell is going on  
I will tell you  
That it's only just begun

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say

If you ask me  
What the hell is going on  
I will tell you  
That it's only just begun

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say

Hey, hey, hey  
Gonna do it my way  
Gonna do it today  
Like I did yesterday  
Do you hear what I say
