

Love Don't Come Easy

White Lion

There comes a time
When baby you and me
We gotta work it out
Whatever it will be
It feels so right
But somewhere deep inside
You don't know how you feel
You don't know if it is real

Do you want it
Do you need it
Cause love don't come easy
Do you want it
Do you need it
Cause love don't come easy

There comes a time
When you wake up one day
Not knowing if our love
Will take us all the way
Then suddenly,
You feel you must decide
If we should carry on
With what we've just begun
You know that it ain't always easy
You know that it aint always right
When love finds a place in your heart

Do you want it
Do you need it
Cause love don't come easy
Do you want it
Do you need it
Cause love don't come easy

You can walk out thru this open door
Just like so many times before
If you don't find what you are looking for
You may be lost forevermore oh yeah

You know that it ain't always easy
You know that it ain't always right
When love finds a place in your heart

There comes a time
When baby you should know
if We are gonna make it
You gotta let it show
I can't wait
And find out in the end
That you will not be standing
Right here by my side
