

When the children cry

White Lion

Little child dry your cryin' eyes
How can I explain the fear you feel inside
Cause yore were born into this evil world
Where man is killing man and no one knows just why

What have we become just look what we have done
all that we destroyed you must build again

When the children cry let then know we tried
When the children sing then the new world begins

Little child you must show the way
to a better day for all the young
Cause you were born for the world to see
that we all can live with love n' peace

No more presidents and all the wars will end
one united world under god

When the children cry let then know we tried
When the children sing then the new world begins

What have we become just look what we have done
all that we destroyed you must build again
No more presidents and all the wars will end
one united world under god

When the children cry let them know we tried
When the children fight let them know ain't right
When the children pray let them know the way
Cause when the children sing then the new world begins
