

## You're All I Need

White Lion

I know that she's waiting  
For me to say forever  
I know that I sometimes  
Just don't know how to tell her  
I want to hold and kiss her  
Give her my love  
Make her believe  
'Cause she doesn't know  
She doesn't know  
You're all I need beside me girl  
You're all I need to turn my world  
You're all I want inside my heart  
You're all I need when we're apart  
I know that she's always  
There when I need her loving  
I know that I've never  
Told her how much I love her  
I see her face before me  
I look in her eyes  
Wondering why  
She doesn't know  
She doesn't know  
You're all I need beside me girl  
You're all I need to turn my world  
You're all I want inside my heart  
You're all I need when we're apart  
Say, say that you'll be there  
Whenever I reach out  
To feel your hand in mine  
Stay, stay within my heart  
Whenever I'm alone  
I'll know that you are there  
You're all I need beside me girl  
You're all I need to turn my world  
You're all I want inside my heart  
You're all I need when we're apart  
You're all I need, etc.  
All that I need  
Is for you to believe  
All that I need  
Is you
