I know that she's waiting For me to say forever I know that I sometimes Just don't know how to tell her I want to hold and kiss her Give her my love Make her believe 'Cause she doesn't know She doesn't know You're all I need beside me girl You're all I need to turn my world You're all I want inside my heart You're all I need when we're apart I know that she's always There when I need her loving I know that I've never Told her how much I love her I see her face before me I look in her eyes Wondering why She doesn't know She doesn't know You're all I need beside me girl You're all I need to turn my world You're all I want inside my heart You're all I need when we're apart Say, say that you'll be there Whenever I reach out To feel your hand in mine Stay, stay within my heart Whenever I'm alone I'll know that you are there You're all I need beside me girl You're all I need to turn my world You're all I want inside my heart You're all I need when we're apart You're all I need, etc. All that I need Is for you to believe All that I need Is you
