

Just for You

White Lung

This room is vile and it's just like you,
My throat is crawling but the drip with do
Just turn me over, my skin's the snow,
His vast reliance, the maim I know

I wanted to
I wanted to
Just for you

This time you know I'll let you trade
My head for a dollar, my arms for raid,
This belly habit was your evil bread,
Just take my money, wile up my head

I wanted to
I wanted to
Just for you
Just for you

We gave it up
We gave it up
We gave it up and I know now

I wanted to
I wanted to
Break all of you
Break all of you
Just for you
Just for you
Just for you
