

Snake Jaw

White Lung

And if I had known where you were gonna grow
I'd throw cold around me
If I get fat one day, will you run away?
I'll starve, if you promise to save me

Love it ugly, honey
Like is just the start
Love it ugly, honey
Erase me in the dark

I beg on your leg, but follow my own law
I pray for the day and shut my snake jaw

Her bones a pretty frame, I lose with the gain
I'll hide in this body
You drag me behind, like bitter, squirming swine
But I'm fine in this body

Love it ugly, honey
Like is just the start
Love it ugly, honey
Erase me in the dark

Just push it down while I'm wild and bound
Choke on the best of it
I'm free of kin, and you're still thin
So let's kill the rest of it

Love it ugly, honey
Like is just the start
Love it ugly, honey
Erase me in the dark
