I had it coming
I had it coming
I had it coming
I had it coming
I had it coming

I don't wanna get involved
I don't wanna keep running 'till I'm seen
I don't wanna give it back
I don't wanna get mad

I had it coming
I had it coming
I had it coming
I had it coming
I had it coming

I don't wanna get caught
I don't wanna get involved
I don't wanna keep running 'til I'm seen
I don't wanna give it back
Has everybody gone mad?
I don't wanna keep running 'til I'm caught
Oh, yes, indeed

I had it coming
I had it coming
I had it coming
I had it coming
I had it coming
I had it coming

All around
I had it coming
I had it coming
I had it coming
I had
