The Day You Won The War

White Rabbits

He took anything that you offered him Telling where to begin, giving attitude Now the day you won the war Did you feel in pain? My head started to offered

Now days we've got All that we've got Nobody's got something they wanna hurt Now the day you won the war Did you feel in pain? Come on, let's started and back now

Taking a drive.... Taking a drive, that's oh god Now the day I'll bring home burn Oh but you stilling like a child in the can't even feel it And all I want to do is searching Does it make you feel better How could you know? Uhu, uhu
