

## The Salesman (Tramp Life)

White Rabbits

Loss assuming  
Well see how you do  
Make me an offer  
No one can refuse  
Just recognize me!  
I know that you can  
And you're looking thru me  
Come on I act like a man  
but I'm living like a dog  
(No nothing to see, Nothing to keep, Nowhere to be)  
I'm living like a dog  
(No nothing to keep, Nowhere to sleep, Nothing to see)  
I'm living like a dog

They're living alone  
Let it die let it be  
Are you feeling down on yr luck?  
I'll come down from the ceiling  
Down to yr knees  
Wherever you want  
I'm living like a dog

Yeah leave it alone  
Let it die let it be  
Are you feeling down on yr luck?  
I'll come down from yr ceiling  
Drop down to yr knees  
Do whatever you please  
Just recognize the fact that Ill come back  
and leave it up to you  
Just recognize me

recognize me  
recognize me  
recognize me  
recognize me  
recognize me  
recognize me  
recognize me  
recognize me!  
recognize me!  
recognize me!  
recognize me!
