

Love Is A Number

White Rose Movement

Home Fires - Nothing Left To Do,
Never Say My Point Of View,
Say You Do...
Little Bitches, Learn My Chase,
All The Fences I Stick Up Your Face,
Love Is a Number...
A Turn On The Carpet, Now That Is A Scene
Valleys of Angels - I Spread Them With Wings,
I'm attached -
Love Is A Number...

Whatever Lies, whatever Looks, whatever ties...
I've Just Left The House, I'm Through Making Out With My Dreams
!
I Feel without
I'm Through Making Out-
Love Is A Number...

Midnight, Walks of Love...
Sweet, but fizzles down-
Love Is A Number...

Dica-dica-dance to the energys light
What Is Science, When History's In Doubt?
Some will say Sic Sense...
Some Say... Some Say Sic Sense...
Some Say... Some Say Sic Sense Sense Sense Sense!

I've Just Left The Room, No More Can Consume
This Kiss... (This Kiss!)
This Kiss incomplete, my reasons defeated

Home Fires - Nothing Left To Do,
Ever Wasted Words With You, Say You Do...
Shuttle Secrets, Cross My Head
All The Symbols I Stick In Your Head-
Love Is A Number

Anyway It's True
If I can't Love Myself, I might Love You...
Some wil Say, Some Say Sic Sense... (I might Love You)
Some Say, Some Say Sixth Sense... (I Think we're getting through)
Some Say, Some Say Sixth Sense... (I Only Want To Speak The Truth)
Some Say, Some Say Sixth Sense Sense Sense... (I Think we're getting through)
(I Think we're getting through Ohh...)
