## White Rose Movement

Breathe,  
Breathe In  
Breathe In  
Breathe In  
Breathe,  
Breathe In  
Breathe In

One, Two, three, four  
push my foot right through the door  
show my shit to the world  
best damn song I ever did hear.

I spell it out in black and white  
you're stupid tarred and featherlight  
you're naked tucked and erritude  
in nothing that can save you now  
nothing that can save you now

Penetrate, can tear at any moment  
Penetrate, can tear at any moment

I don't know why I even care  
you don't know why you're standing there  
you don't know what you're looking at  
so look at me  
and shut your mouth before you trip trip trip

Hippy scum  
he fucked your mum  
when he was young the drugs were done  
in shimpling place  
a different race  
who's your dad  
a gypsy lad  
a working man without a plan.

Breathe in  
you gotta read my clues for you to follow  
cos when everything goes black again  
nothing really matters anymore  
could tear at any moment  
penetrate  
could tear at any moment  
attack attack.

Hippy scum  
he fucked your mum  
when he was young the drugs were done  
in shimpling place  
a different race  
who's your dad  
a gypsy lad  
a working man without a plan.
