

## Sentence of Death

White Skull

They came like wolves in the night  
Bringing anguish and fear  
Days of blood started from Spain  
They came with the torture instruments

Demon and beasts escape from this land  
Judgement day begin  
No one will save his soul  
You'll tell me the truth  
Look at my eyes give me your soul  
Sentence of death  
I had the power of God  
And you are condemned

[chorus]  
You are the Evil  
I'm sure of my innocence  
I'll try to find the real  
We are warriors of the truth

Now all is ready for the sentence  
The prisoners are arriving  
Screams of rage come from the heart  
No one's compassion outside  
Don't find excuse you are condemned  
Sentence of death  
Fire is burning the time of the end  
Everything is alright

[chorus]
