

# Broken Bricks

White Stripes

1. Well, have you been to the broken bricks girl?  
Snuck down through the cyclone fence  
Past the caution tape and the security gate  
Backwards to the breakroom bench  
Well, there's a little corner where you first got kissed  
And felt your boyfriends fist and made the company list  
And there's a little spot where your dad ate lunch  
And your brother landed his first punch yeah, yeah, yeah
  
2. Well have you been to the broken bricks girl  
Seen the barrels that they left behind?  
Seen the machine that cut aluminium clean  
And got tape from the caution sign  
Broken tooth window panes  
Just a rusty-colored rain that drives a man insane  
You try to jump over water but you land in oil  
Climb the ladder up a broken crane yeah, yeah, yeah
  
3. Don't go to the broken bricks girl  
It's not the place that you want to be  
Think about the spot your father spent his life  
Demolition calls it "Building C"  
Demolition calls it "Building C," now  
Demolition calls it "Building C" now yeah
