

Expecting

White Stripes

1. Your mouth said this never
But your fingers have shown me
Your head is so clever
You claim that you own me

2. You have the right to conduct me
In whatever fashion
Your attempt construct me
In the interest of passion
You sent me
To Toledo
To Toledo
To Toledo

3. I came back with handfulls
I did what you asked me
But after the "thank you"'s
That you quickly got past me
I'm expected
You're expecting
I'm expected

Can you go get me another...
