

## Little Bird

White Stripes

I got a little bird  
I'm gonna take her home  
put her in a cage  
and disconnect the phone

If you give me a look  
I'm gonna get the book  
I'm gonna preach the word  
I wanna preach to birds  
as I walk the floor  
yeah this I know

When I get you home  
this is how it goes  
I got nothing to lose  
I'll never let you go
