

I'm walkin'  
Through streets that are dead  
Walkin'  
With you in my head  
My feet are so tired  
And my brain is so wired  
And the clouds are weepin'

Did I  
Hear someone tell a lie  
Did I  
Hear some long distant cry  
I spoke like a child  
And it struck me with a smile  
But I was sleepin'

Well, I'm sick of love  
But I'm in the thick of it  
I'm sick of love  
Well, I'm lovesick

I see  
I see lovers in the meadow  
I see  
I see silhouettes in the window  
I watched where they're goin'  
But they keep me hangin' on  
To their shadow

Well, I'm sick of love  
I wish I never met you!  
This kind of love  
Oh, I'm trying to forget you!

Just don't know what to do  
I'd give anything to  
Be with you
