

I'm walkin'
Through streets that are dead
Walkin'
With you in my head
My feet are so tired
And my brain is so wired
And the clouds are weepin'

Did I
Hear someone tell a lie
Did I
Hear some long distant cry
I spoke like a child
And it struck me with a smile
But I was sleepin'

Well, I'm sick of love
But I'm in the thick of it
I'm sick of love
Well, I'm lovesick

I see
I see lovers in the meadow
I see
I see silhouettes in the window
I watched where they're goin'
But they keep me hangin' on
To their shadow

Well, I'm sick of love
I wish I never met you!
This kind of love
Oh, I'm trying to forget you!

Just don't know what to do
I'd give anything to
Be with you
