

## Offend in Every Way

White Stripes

I'm patient of this plan  
as humble as I can  
I'll wait another day  
before I turn away  
but know this much is true  
no matter what I do  
offend in every way  
I don't know what to say

I'm coming through the door  
but they're expecting more  
of an interesting man  
sometimes I think I can  
but how much can I fake  
I'll speak until I break  
with every word I say  
offend in every way

You tell me to relax  
and listen to these facts  
that everyone's my friend  
and will be till the end  
but know this much is true  
no matter what I do  
no matter what I say  
offend in every way
