

Red Bowling Ball Ruth

White Stripes

Well pay attention!
Attention to my words!
I love 'ya;
I don't know what you heard.
And this fella?
Has got to go for sure.

Red bowling ball
Red bowling ball ruth
Well that's somethin'
Then I should know the truth
I set it rollin'
And then it breaks your tooth

Well peter,
Are you in the wrong town?!
I love this girl
So hell shall come around
And you leavin'
Will be the only sound.
