White Stripes

Well it's true that we love one another I love Jack White like a little brother Well Holly I love you too but there's just so much That I don't know about you Jack give me some money to pay my bills All the dough I give you Holly you've been using on pain pills Jack will you call me if you're able? I got you're number written In the back of my bible Jack I think you're pulling my leg And I think maybe I better ask Meg Meg, do you think that Jack really loves me? *You, know, I don't care because Jack really bugs me Why don't you ask him now?* I would but Meg, I really just don't know how *Just say 'Jack, do you adore me?'* Well I would Holly but love really bores me Well maybe we should just be friends I'm just kidding Holly You know that I'll love you til the end Well its true that we love one another I love Jack White like a little brother Well Holly I love you too but there's just so much That I don't know about you Holly give me some of your english lovin' If I did that Jack I'd have one in the oven Why don't you go off and love yourself If I did that Holly there won't be anything left For anybody else Jack that's too bad About the way that you look You know I'd give that horse a carrot So he'd break your foot

*Will the two of you cut it out

And tell 'em what its really all about *

Well its true that we love one another

I love Jack White like a little brother

Well Holly I love you too But there's just so much That I don't know about you
