

You're Pretty Good Looking (For a Girl)

White Stripes

Oh yeah you're pretty good lookin...for a girl,
But your back is so broken.
And this feeling's still gonna linger on,
Until the year twenty-five twenty-five now.

Yeah you're pretty good looking for a girl,
Your eyes are wide open.
And your thoughts have been stolen by the boys.
Who took you out and bought you everything you own now.

Yeah you're pretty good looking oh yeah...
You're pretty good lookin.
Yes you're pretty good looking..oh yeah, for a girl.

Lots of people in this world,
But I wanna be your boy.
To me that thought it sounds so absurd,
And I don't wanna be your toy.

Cuz you're pretty good looking for a girl,
My future's wide open.
But this feeling's still gonna linger on,
Until I know everything I need to know now.

Yeah you're pretty good looking oh yeah...
You're pretty good lookin.
Yes you're pretty good looking..oh yeah, for a girl.
