

# You've Got Her in Your Pocket

White Stripes

You've got her in your pocket  
And there's no way out now  
Put it in the safe and lock it  
'cause it's home sweet home

Nobody ever told you that it was the wrong way  
To trick a woman, make her feel she did it her way  
And you'll be there if she ever feels blue  
And you'll be there when she finds someone new  
What to do  
Well you know

You keep her in your pocket  
Where there's no way out now  
Put it in a safe a lock it  
'cause it's home sweet home

The smile on your face made her think she had the right one  
Then she thought she was sure  
By the way you two could have fun  
But now she might leave  
Like she's threatened before  
Grab hold of her fast  
Before her feet leave the floor  
And she's out the door  
'cause you want

To keep you in my pocket  
Where there's no way out now  
Put it in a safe a lock it  
'cause it's home sweet home

And in your own mind  
You know you're lucky just to know her  
And in the beginning all you wanted was to show her  
But now you're scared  
You think she's running away  
You search in your hand for something clever to say  
Don't go away  
'cause I want

To keep her in your pocket
