## **Children Of The Grave**

White Zombie

Revolution in their minds - the children start to march Against the world in which they have to live and all the hate that's in their hearts They're tired of being pushed around and told just what to do They'll fight the world until they've won and hell comes flowing through

In Los Angeles, 1969, they shot, stabbed, and bludgeoned nine p eople to death committing one of the most heinous crimes in history.

Children of tomorrow live in the tears that fall today Will the sun rise up tomorrow bringing peace in any way? Must the world live in the shadow of atomic fear? Can they win the fight for peace or will they disappear?

In Los Angeles, 1969, they shot, stabbed, and bludgeoned nine p eople to death committing one of the most heinous crimes in history.

(Yeah) So you children of the world, listen to what I say If you want a better place to live in spread the words today Show the world that love is still alive you must be brave Or you children of today are Children of the Grave, Yeah!
