Feed The Gods

White Zombie

She's a zombie baby Dead ringer in my head And now we're rollin' we're empty playin'

Yeah!

Hey yeah, like a zombie breathin' Hey yeah, been thinkin'of your life Hey yeah, like a desert monkey Hey yeah, We go down inside

Like a creep or solar center Ooh, a dirty little sister Wow, I'm gonna kill it I'm gonna kill it, damn (dead?)

Freak out and feed the gods Do you know what it means to feel like god? Creep on the wheels of love, Do you know what it means to feel like god?

Hey hey yeah, like your hands on my back and Hey hey yeah, be a bigman or bleed Hey hey yeah, like a days last moment Hey hey yeah, give me what I, I need

To suckup and give out Ooh, a dark creep lover I'm gonna kill it I'm gonna kill it yeah

Freak out and feed the gods Do you know what it means to feel like god? Creep on the wheels of love, Do you know what it means to feel like god?

Yeah,Get a load of this Gonna get away One hell beast shot over me Yeah, In another life Gonna break you down, smash all over me Yeah, gonna bleed from life A Shrapnel wound I wasn't made to suffer, huh! Shootin' on the run Gonna wreck 'em Yo, you can't just dump 'em

Freak out and feed the gods Do you know what it means to feel like god? Creep on the wheels of love, Do you know what it means to feel like god?

Hey yeah, It's alone in my head

Hey yeah, and I think of the past Hey yeah, I'm a dirty mouth Hey yeah, because I'm alive and...

Yeah, I'm only people's sole assassin Ooh, a dirty little witch I'm gonna kill it, I'm gonna kill it, yeah.
