

born with hesitation  
onto floating stone  
what better than a riverview  
a slum by any other name  
scum  
scum perfect and friendly to a given point  
point to stretch your skin thin  
thinner than heaven air heaven air  
twisted become ultimate  
2 face shine on.  
Vocal become violent virgin  
shine on  
yea time for damaged lives.  
It lives again.  
But the worst is yet to come  
topless crawling.  
Helter-Skelter hidden among fashionable white pickett hammerheads rel  
entless,  
interrogating, scum sucking suck.  
Suck true they were a handsome piece  
but a piece for a poor excuse for a sinking  
sailor by sinking  
sinking ragtag turn sinner.  
Decoy shine on.  
Freak out.  
Feast I'm alive shine on  
sing for a holy gun  
some say heavenly.  
Land of hypnotic eye.  
Endless love.  
Helter Skelter when you get down  
falling down under homegrown money  
the need is vanished now now!  
Hey kind of incredible!  
Time to crawl over love  
and rotting stones like a steamrolling.  
High rolling. Shit kicking  
ego machine. Mad Dog.  
Alternative. Sleep.  
Everywhere rattle snake in a big sleep  
(yea) hits so good  
I can remember taste so bad.  
I can't forget  
can't remember can't forget  
But I can not  
like a road machine - machine
