

Ratmouth

White Zombie

A knuckle duster is the most deadly in the ponderous pace
Of floating justice single-handed dynamo.
Take it now, say the way we want and not for you to point the finger
combustible in a word fuck'n. Say the word and you'll be free.
Continue your journey Superman say I am we can put you down
not a wizard-boy question just a demonstration of definition.
Silver city crusading to the top of a fug'n bone break most
vile experiment ready to eat your ass. Clockface. Bigtime.
We are. Somekind. Say it. Like always.
Sound + silence promote the zero.
A steel hammer game from me to you, but I don't mind the matter
.
Ratmouth don't know what you need just know what you want.
'Walking dead' crawling bloodthirsty Hollywood demon flower grow in the
Valley of Love like a freak highway accident.
Last ride rolling down say hi-density.
Glory stomp gonna make the girl in the room +
in the house turn and see that I ain't there...
